Hello CRA Members:
Our colleague, Ibrahima at TC, has kindly requested any information regarding the Truck Convoy or border protests be shared with him in order to inform up through TC leadership. Please reach out to him by email if you hear of any protest locations, issues, traffic jams, details on number of trucks, participants etc. that are not being widely shared in the media. This is greatly appreciated as you all have your ear to the ground in your respective jurisdictions. The intention and purpose is for safety and to ensure decisions can be made with the best information at hand to ease supply chain if required.

Thank you,
Robyn
